Author's Notes:
RP-inspired, but it doesn't necessarily have to be.

Nate pulled me into his lap as I walked by.

"Now?" I laughed as he kissed my neck. "I'm supposed to go meet Jeff."

"I just wanna make out a little," he murmured.

"Well, your timing sucks," I said, barely resisting the urge to wrap my arms around his neck.

"Your fault." He wrapped my ponytail around his fingers and gently rolled my earlobe between his teeth.

"It's my fault? Because I wanted to get my hair up off my neck?"

"Uh huh," he answered and ran his tongue up along the side of my neck to illustrate his point.
